Personal Statement

As a highly motivated, adaptable and responsible individual I am seeking a position as either a commercial designer or an in-house designer within an ambitious local company, where I can continue to develop my skills and utilise my creative ideas to assist the growth and profitability of the company.

Whilst working for Nutri-Link Ltd as the lead designer on a number of varied projects I have shown myself to be hard working, organised and capable of working under pressure to tight deadlines.

I have a clear, logical mind with a practical approach to problem solving and the energy and self motivation to see things through to completion. Extremely comfortable working on my own initiative or equally working as part of a team.

I am a creative designer who takes inspiration from all walks of life. Capable of either creating work from scratch with little briefing or working within a tight brief.

In short I am reliable, trustworthy, hardworking and eager to learn and to con-
